Pursuant to Iowa Code 29c.6(6) and at the request of the Iowa League of Cities on behalf of numerous local governmental bodies, I (Gov. Reynolds) temporarily suspend the regulatory provisions of Iowa Code 21.8, 26.12, and 414.12, or any other statute imposing requirement to hold a public meeting or hearing, to the extent that the statutes could be interpreted to prevent a governmental body from holding the meeting by electronic means, provided that the governmental body properly notices the meeting or hearing and includes a telephone conference number or website address that permits the public to participate in the meeting or hearing. I also temporarily suspend those statutes to the extent they could be interpreted to prevent a governmental body from limiting the number of people present at an in-person location of the meeting, provided that the governmental body provides a means for the public to participate by telephone or electronically as provided in this section.
